About Franziska Knoll

For the past 20 years I have worked as makeup artist/hair stylist, wig maker and SFX make-up for film, TV, commercials and theatre in Germany.

I love the variety of working as a makeup artist/hair stylist and being able to utilise a broad spectrum of tools and creative sensitivity to help create a figure.

Film and theatre is all about teamwork and I am passionate about being part of it. I am known for being a positiv, empathetic and friendly person who thrives in a collaborative work environment.
