Personal Statement

Working as a makeup & hair designer I am able to utilise a broad spectrum of tools and creative sensitivity to help create a character.

I am a easy going person who thrives in a collaborative work environment.

In more than 15 years of freelancing I know how to manage myself, adjust to new situations and always stay flexible.

I am experienced in designing and organising the makeup department to get the best team results.

Skills

Making and applying wigs, hairpieces, toupees, facial hair
Historical hairdressing and makeup
Special effects makeup
